WORK EXPERIENCE

Sinclair | Jun. 2026 – Present

Master Control Operator | Hunt Valley, MD

- Monitor scheduled programming and playout in Amagi Cloudport during prime-time master-control shifts.
- Prepare, segment, and transfer syndicated content using Sony CI and Tellyo Pro; verify media IDs and readiness for air.
- Coordinate live-event and weather changes, confirm break timing, and document discrepancies for station teams.

Freelance Media Producer

Jan. 2023 – Present

Video Editor

Remote

- Produce and edit short-form and long-form video content for independent clients on social media platforms.
- Deliver fast-turnaround edits, motion graphics, and visual assets for social media, marketing, and online distribution.
- Manage full post-production workflows including ingest, editing, color correction, audio cleanup, and export.

Blue Ridge PBS

Nov. 2022 – Jan. 2023

Programming Operations Assistant

Roanoke, VA

- Oversaw daily broadcast operations including PBS Kids scheduling, captioning, and FCC compliance.
- Maintained digital asset management systems and performed quality control checks to ensure broadcast standards.
- Edited fundraising and pledge-drive content and prepared final media for on-air distribution.

WFXR News (Fox Affiliate)

Oct. 2021 – Jun. 2022

Production Assistant

Roanoke, VA

- Operated studio cameras, lighting grids, and managed 16+ audio channels during live productions.
- Edited and assembled two-hour daily newscasts under strict live-broadcast deadlines.
- Supported control room and newsroom workflows, including graphics insertion and rundown execution.

Super Game Station

Jul. 2020 – Aug. 2021

Director of eCommerce

Radford, VA

- Oversaw eCommerce operations, customer engagement strategies, and digital marketing initiatives.
- Increased online sales by approximately 60% through SEO optimization and improved product listings.
- Produced video advertisements and managed creative direction for web storefront design.

EDUCATION

Radford University

Graduated Nov. 2020

Bachelor of Science, Media Studies & Production Technology, Minored in Cinematic Arts

Radford, VA
